

DNA OF A PUBLIC SERVANT

A close-up photograph of a pair of light-skinned hands gently cupping a small, realistic model of the Earth. The globe shows detailed features of the Americas, including North and South America, the Atlantic Ocean, and swirling white clouds. The hands are positioned with fingers slightly curled, supporting the globe from below and the sides. The background is a soft, out-of-focus light gray.

REACH A BALANCE BETWEEN THE URBAN AND RURAL DEVELOPMENT

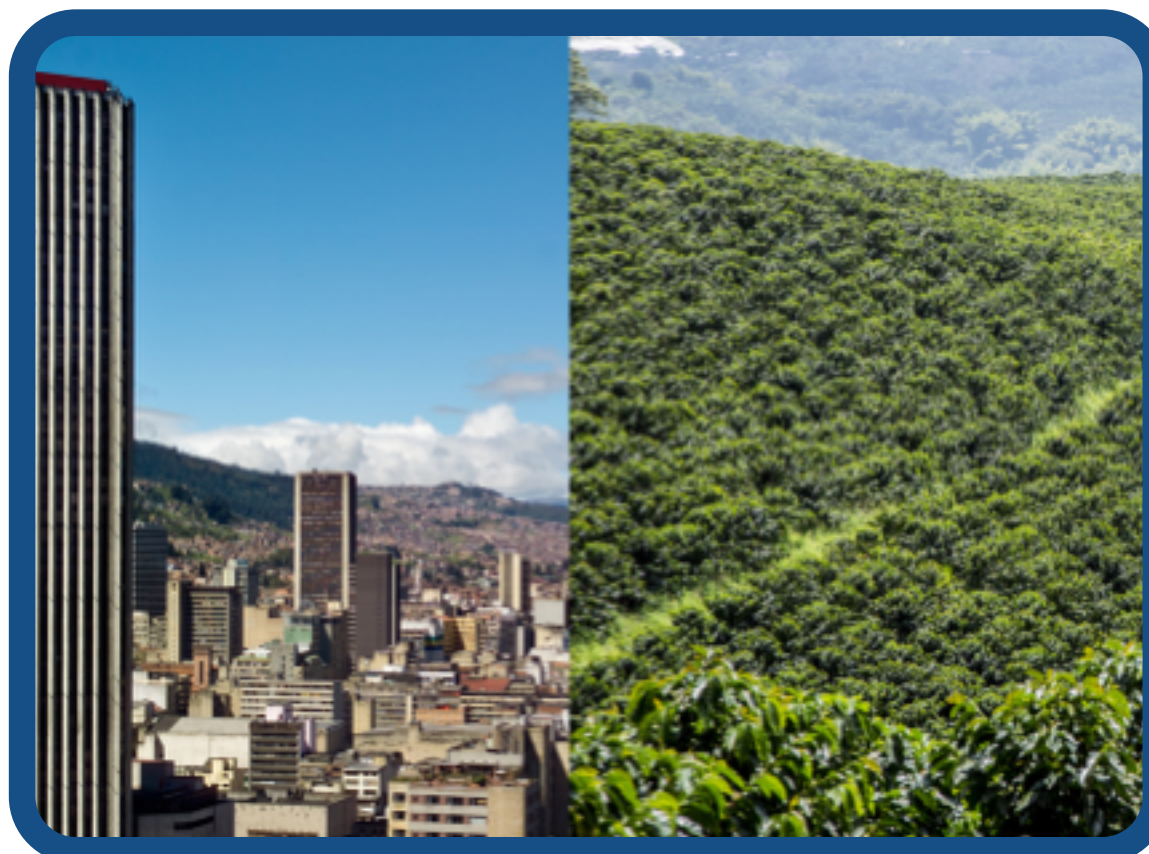

A person's hand and forearm are shown holding a small plant with a green stem and two leaves. The plant's root system is exposed, showing a dense network of roots. The person's arm is extended horizontally, and the roots appear to be growing along the length of the forearm. The background is a blurred landscape with green hills and a cloudy sky.
